COMPANY PROFILE:-

Vaishnavi Industries came into existence in 2000 with a golden rule of three words:

COMMITMENT leads to **HARDWORK** ensuring **SUCCESS**.

THE PREMISE:-

The objective of VI is to provide top quality goods and services at a competitive price within the specified time period to ensure lasting cordial relation with our esteemed customers.

The objective is achieved by excellent teamwork provided by our able employees. The skill of each employee is honed through regular training sessions. The latest technology update is maintained and utilized as and when required.

QUALITY:-

Maintain quality to eliminate further hassles

VI channelizes all its efforts in maintaining quality right from the time a job is entrusted. Our priority includes:

- ✓ Component Availability
- ✓ Component Reliability
- ✓ Component Compatibility
- ✓ Alternate sourcing suggestions

VI guarantees 100% inspection of all its producible assemblies. Consistent, uncompromising quality reduces overhead costs and eliminates further hassles

with our esteemed customers.
